I AM SPECIAL

In all the world there is nobody like me. Since the beginning of time there has never been another person like me. Nobody has my smile. Nobody has my eyes, my hair, my nose, my hands and my voice. I am special!

No one sees the things just as I do. In all of time, there has been no one who laughs like me, no one who cries like me. What makes me laugh and cry will never provoke identical laughter and tears from anyone else, ever.

I am the only one in God's creation with my set of natural abilities. There will always be somebody who is better at one of the things I'm good at, but no one in the universe can reach the quality of my combination of talents, ideas, natural abilities and spiritual abilities. Like a room full of musical instruments, some may excel alone, but none can match the symphony sound of the body of Christ when all play together, because God has set the members, each one of them in the body as it has pleased him.

Through all of eternity, no one will ever look, walk, talk, think or do exactly like me. I'm special. I'm rare. And as in all rarities, there is great value. I need not attempt to imitate others. I will accept, yes, CELEBRATE, my differences. I am special. I continue to realize it's not an accident that I'm special. I continue to

see that God created me special for a very special purpose.

I will ask the Father to teach me his divine plan for my life and that it may stand forth revealed to me as it should, unfolding in perfect sequence and in perfect order in such a way as to bring the greatest glory to His name.

That one is me. Because I'm special. He called me out and ordained me to a calling that no one else can do as well as me. Out of all the billions of applicants, only one is qualified, only one has the best combination of what it takes. That's just as surely as every snowflake that falls is a perfect design and no two designs are the same, so it is within the body of Christ also. No two believers are the same and without each member, the body of Christ would be lacking, and God's plan would be incomplete.
